The Presbyterian Orphanage

The Board of Regency met in the Y M C A Hall, Charlotte, North Carolina at 3:00 p.m. and was opened with a prayer by Rev. W. R. McLelland. Present were Rev. J. Rumple, D.D., Rev. D. I. Craig, Rev. W. R. McLelland, Rev. William E. McIlwaine, Honorable A. Leazer, S. H. Wiley, John E. Oates, and George E. Wilson.

The Board was reorganized by the election of the following officers:

Rev. J. Rumple, D.D., *Chairman*
Rev. William E. McIlwaine, *Sec.*
John Oates, *Treasurer*

The following were elected members of the Executive Committee:

Rev. J. Rumple, D. D.
Hon. A. Leazer
Geo. E. Wilson
Col. John L. Brown
Dr. N. W. Hill

The Board resolved to purchase Barium Springs property in Iredell County at the price of $1000.00 from the Trustees of Davidson College and to place the property in a suitable condition to receive inmates, and as soon as this is done, will remove the Home from Charlotte to that place. It was further resolved that the title to this property and any other property which may be necessary for the use of the Home, be taken in the name of Rev. J. Rumple, D.D., the chairman of the Board, to be held in trust by him until the Board is duly incorporated by the Legislature of North Carolina. The Board agreed to accept the option on a lot of land offered by Mr. Schofield of Davidson College.

The purchase of additional lands for the Home was left discretionary with the Executive Committee. The chairman of the Board was authorized to advertise for applicants for the position of Superintendent of the Home, and that such applications be made to him, to be laid before the Board at the next meeting, when an election for superintendent will take place.

The Executive Committee was instructed to notify the matron and lady manager of the Home that the Institution would not be moved until January 1, 1891, and to request their co-operation until the removal takes place. The Secretary was instructed to publish a notice of the collection on Thanksgiving Day in the North Carolina Presbyterian, and to send a card to every minister and vacant church in the Synod of North Carolina. The Board took a recess to meet today at Barium Springs and will hold its regular meeting in Charlotte on Thursday, December 18th, at 3:00 p.m.

A Superintendent For The Orphans' Home To Be Elected

Public notice is hereby given to the Regents of the Orphans' Home of the Presbyterian Synod of North Carolina to meet in Charlotte, North Carolina, on Thursday, December 18, 1890, for the purpose of electing a superintendent for said Institution. The undersigned, chairman of the Regents, will receive applications and recommendations for persons suitable for the position, whether laymen or ministers, and will lay them before the Regents for recommendations. Friends of the cause, knowing of such persons accessible, will confer a favor by recommending them.

J. Rumple, Chairman

Barium Springs

(Correspondence of the N. C. Presbyterian)

As the Orphans' Home of the Synod of North Carolina will soon be transferred to Barium Springs, doubtless many of our good Presbyterian people would be glad to hear something of the whereabouts and surroundings.

The Regents of the Home visited the place in a body yesterday, and were surprised and delighted, after a thorough inspection, at finding such a beautiful and salubrious situation, such a convenient and comfortable building, and such attractive surroundings. It is situated on an elevated ridge in Iredell County, four miles south of Statesville, North Carolina, and to the westward and northward are visible several blue mountain peaks, suggestive of those summer resorts where so many seek climatic reinforcement in the dog days. The name describes a certain spring, near the home, once called the poison spring, now called the Barium Spring because it holds a quantity of carbonate of Barytes in solution, a powerful curative for many diseases.

The Home Property is situated on the A. T. & O. Railroad with a depot and post office in a few hundred yards, where trains from Charlotte and Statesville stop four times a day, and passengers from either of these cities can go and return the same day by train. The neighborhood is thickly settled with well to do farmers, a mile and one-half down the railroad is Troutman, a thriving village of say, one hundred and fifty inhabitants, a Presbyterian, a Lutheran and a Methodist church, two resident physicians, post office (a few words not legible). The Springs just in the rear of the property, and to which we have free access, contains besides the Barium Springs, five or six others, such as White Sulphur, Red Sulphur, Chalybeate, Magnesia, Alum, all nicely fixed up, and occupying an acre or more of enclosed lawn and terrace.

The "Home" itself was built four years ago as a hotel for the Springs, but proved a financial failure, and it fell by mortgage into the hands of the Trustees of Davidson College. Though the property cost the original owner about $4000.00 it has been purchased by the Regents of the Synod for the small sum of $1000.00. The building is a neat wooden structure of dressed lumber, covered with tin, two stories high and one hundred feet long, containing thirty good sized rooms, with a well of water and several out houses. It is not entirely finished, but about $500.00 will finish it ready for occupation. In fact, about twenty rooms have been occupied by guests on former occasions. It is situated in a grove of young oaks, on an elevated, breezy situation, and from its doors the trains may be seen coming and going between Charlotte and Statesville. The people say there is no malaria there, and there are no sluggish streams or stagnant ponds near to generate the poison.

The Regents have taken steps to place the building in repair, secure the necessary furniture, and equip it for occupation about the first of January, 1891. Thus at the expenditure of about $2000.00 the Synod of North Carolina will have a thoroughly equipped home for orphans. The same accommodations built on a city lot, in city style, would have been a beautiful monument to the liberality of North Carolina Presbyterians, but the monument would have cost us *sixteen or twenty thousand dollars.* When the sum is provided the monument can be built. Besides all this, all kind of country produce is available in the neighborhood, and the land produces clover and grass of excellent quality. County supplies are from fifteen to twenty per cent cheaper here than in our large cities, while drygoods and groceries are just as accessible and as cheap as in our centers of trade. Statesville is less than an hours drive with buggy or cart, from the Home and experienced traders say that her markets and stores are cheaper than those of large cities. Her ministers, physicians and Christian workers will take a deep interest in this noble charity of the church, while two or three hours on the train will carry visitors from Charlotte, Davidson College, Mooresville, or Salisbury to the Home.

The Synod of North Carolina is to be congratulated on the speedy realization of what seemed two years ago a vague and distant vision, a thoroughly equipped and furnished home capable of accommodating at least one hundred orphans, all paid for and free from debt. Let us render Thanks to God for the signal success of this, and send up liberal contribution on Thanksgiving Day. Of course with four times as many inmates as the Home had last year, it will require four times as much to support the Home. All contributions should be sent as heretofore to John E. Oates, Treasurer, Charlotte, North Carolina.

UNDER THE STEEPLE

By Rev. Hugh B. Carter, Jr.

We reported 224 members on the roll of Little Joe's Church at the end of 1959. Here is the way that our members are grouped: Exactly 100 of our members are boys and girls of the Home. Of that number 12 became residents elsewhere during the course of the year and have not yet asked for the transfer of their Church letters. 77 of our 224 members are from families who live on the campus and in the community. 19 are serving in the armed forces, and 16 are away at schools and colleges. We have 12 non-resident members. And all of these add up to our 224.

We also reported 22 members received on profession of faith during the year, and 7 being added by certificate. Our Sunday School enrollment is 223, which almost makes us wonder who is the one not enrolled in Sunday School!

We enjoyed being joint hosts with the Home in the entertainment of Presbytery during the past month. We counted 130 representatives here. The Women of the Church stayed on duty throughout the entire meeting to serve coffee and cokes and cakes to the brethren in Fellowship Hall. Sometimes it seemed that Fellowship Hall contained the main meeting of Presbytery.

On Assembly's Youth Sunday, our Senior High Fellowship took the morning worship service as an occasion to come to grips with some hard problems. Speakers chose as their theme "The Issues Before Us" and dealt with their subject as follows: Graham Blake discussed Juvenile Delinquency; Jeane Murdoch took Modes of Communication; President of the Council, Dickie McKenzie, tackled the Racial Problem; Margaret Ramsey and Nancy Joyner spoke on the Cause and Cure of Alcoholism, and Jackie Taylor probed into Communism. In the same service, Linda Byrd led the Invocation, Confession and the Lord's Prayer; Shirley Faulk had the Responsive Reading, Martha Trivette led the morning prayer, Gene Taylor called for the offering and had the prayer of dedication.

The Men of the Church had a large gathering for breakfast on a cold rainy Sunday morning in which Glenn Steele, W. A. Gibson, Donnie Bolton and friend, Bill Smith cooked and served eggs, grits, ham, sausage, biscuits, and other breakfast delights. Our speaker for the occasion, the Reverend Eugene Witherspoon, assistant at the First Presbyterian Church in Statesville, was forced to be absent on account of flu. The men elected Roger Murdoch, Arthur Sigmon and Frank Nance to lead them in the coming year, and planned a breakfast in February to honor our missionary visitor, the Reverend Lardner Moore.

As we enter into the new decade, we are conscious as never before of the limitations imposed upon the mortal flesh by time and space. Even our "sputniks" accentuate the fact that man must be surrounded by conditions found on God's earth in order to live. All of which reminds us that it is vanity to wish to live long while being careless to live well.

Junior Choir Will Participate In Festival

The Junior Choir of Little Joe's Presbyterian Church will participate in the Festival for Junior Choirs in late April. This festival will be held in Charlotte at the Covenant Presbyterian Church where the junior choirs from the surrounding communities will stage a festival of music during a Sunday afternoon. Mrs. Clinton Clontz, the choir director, has chosen thirty children to form the junior choir from Barium Springs. These boys and girls will be busy memorizing the words to the music and rehearsing the program under the direction of Mrs. Clontz. The following thirty children have been chosen to make up the choir: Sylvia Bush, Jerry Brewer, Myra Carter, Clifton Garner, Nancy Finley, Mary Della Hyde, Linda Ivey, Angus Medlin, Gloria McDonald, Jean Ritter, Sharon Rogers, Bonnie Trent, Leonard Utsman, Connie Crews, Charles Hyde, Gregory Lockamy, Peggy McDonald, Marie Ross, Percy Utsman, Connie Webb, Mary Blalock, Belle Calhoun, Kay Brewer, Carolyn Foy, Mae Jolly, Carolyn Ladd, Alice Murdoch, Emily McClure, Naoka Spencer, and Mildred Waters.

Miss Eleanor Miller, one of the school teachers, will assist Mrs. Clontz in working with the children during their preparation for the festival and their participation in it.

Barrier Is Scout Master Of New Troop

A new Boys Scout Troop has been organized on the campus at Barium Springs, and Mr. Frank Barrier of Statesville has agreed to serve as Scoutmaster. This will bring together all the boys on the campus and those in the community who are interested in the scouting program. During last year two dozen of the boys were in four different troops in Statesville, and enjoyed this participation very much. However, with the transfer of the school from the campus to the consolidated school at Troutman, it was felt that it would be better to have a troop on campus. Mr. Claude Miller, Vice-president of the Piedmont Council for Iredell County has been helpful in making the arrangements for the new troop and in assisting the Home in securing Mr. Barrier. Members of the Home staff and persons from the community form the troop committee, and the Home is the sponsoring unit. With the nucleus of the boys who are already in Scouting and with the younger boys who want to join, great things are expected of this troop in the months that lie before them.

Father And Son Banquet Held On Campus

The big dining room was the scene of the annual Father and Son Banquet during Scout Week. Four hundred Scouts and Scouters came together for an evening of food, fun, and fellowship. Mr. A. D. Kornegay, Superintendent of Statesville City Schools, was the principal speaker.

The boys and girls of the Home and the members of the staff prepared and served a barbeque dinner, thus again sharing in community projects. This particular banquet has through the years been an outstanding feature of the Scouting program and an occasion of great delight on the campus. From the killing of the pigs for barbeque to the setting of the table and washing the dishes, everybody turned in for extra service and made the Home a vital part of community activities.

APARTMENTS TO BE BUILT FOR STAFF MEMBERS

The old building known as the Boyd Building, which housed the first superintendent of Barium Springs, is being removed to make room for some new apartments. This location is ideal for those who will occupy the new quarters. Resting in the heart of the campus, the occupants would have ready access to the dining room, cottages, and the church.

The buildings will be one story and fire resistant. Two small family units will compose the northern half; three single units, the southern half, with an open court in the center.

BASKETBALL REIGNS ON THE CAMPUS

The boys and girls of the Home have been participating in six different basketball teams. The varsity team at Troutman High School for boys and girls and the junior varsity team for boys and girls have involved a large number of students in practice and in the two games a week. Coaches Godfrey, Shoaf, and Pharr have been working hard to maintain a high rank in the conference.

Junior teams made up from the elementary school have been coached by Mr. A. M. Calhoun. These two teams have had their regular practice sessions and a schedule of games with other elementary schools in the nearby communities.
